

## ASERVIC 2026 Virtual Conference: Sponsorship Opportunities

To our valued returning ASERVIC partners,

Thank you for your past contributions to the ASERVIC community. We would love to have you with us again in 2026.

As we prepare for the upcoming ASERVIC 2026 Virtual Conference held from June 8th to 12th, 2026, we are excited to offer a select group of partners the opportunity to connect with our audience through our curated virtual exhibit hall.

To ensure our exhibitors receive high engagement and meaningful visibility, we have limited our sponsorship to just **nine exclusive spots**. This strategy ensures your brand isn't lost in a crowd, providing you with direct, high-value access to our attendees at a fraction of the cost of an in-person event.

### Partnership Tiers at a Glance

- **Platinum (\$500 | 2 Spots Available):** Our highest level of visibility. Includes premier branding on the main stage, a featured session, and full lead retrieval.
- **Platinum Sponsor (Premier Visibility): \* Whova Platform Branding:** Primary logo placement on the Whova home screen and session banners.
  - **General Session Acknowledgment:** Live verbal recognition and logo display during our keynote and sponsored sessions.
  - **Social Media Spotlight:** Dedicated posts across our social media channels highlighting your partnership.
- **Gold (\$250 | 3 Spots Available):** Focus on engagement with an interactive digital booth, video content uploads, and scheduled "Live" hours.
- **Gold Sponsors:**

- **Silver (\$125 | 4 Spots Available):** Ideal for consistent brand presence, including a directory listing and logo placement on our sponsor wall.
  - **Website Recognition:** Your logo and a link to your organization are featured prominently on the [ASERVIC conference website](#).

### Why Sponsor Virtually?

- **Zero Travel Costs:** Engage with our global audience from your home or office.
- **Data-Driven Leads:** Receive digital reports on booth visits and content engagement.
- **Extended Visibility:** Your digital presence remains accessible to attendees even after the live sessions conclude.

With only **9 total spots** across all tiers, we expect these to fill quickly on a first-come, first-served basis.
